

Magnetic Drilling Machines - SCANTOOL Compact 50

Item Number: 100386004

SCANTOOL Compact 50 is a magnetic drilling machine with Morse Taper No. 2

Unique semi-automatic gib adjustment system enables simple and fast fine tuning without any expert knowledge or experience. Replaceable spline at the end of armature shaft eliminates laborious and expensive maintenance.

Superior features of COMPACT 50 include:

- Compact design
- Gear box and slide system made as one piece
- Excellent ratio weight / power
- Maintenance friendly design
- Purpose designed motor with heavy duty gear box
- Maintenance friendly rail guide system
- Built-in cooling system

COMPACT 50 is equipped with the latest generation of electromagnetic energy saving base (ESB) with magnetic field shape control system (MFSC) and magnetic power adhesion control module (MPAC), which detects adhesive force of electromagnetic base and protects both the machine and the operator from work on too thin workpieces

Product Specifications

Drilling Capacity (Ø mm)	50
Drilling Depth (mm)	50
Machine height (mm)	426/579
Machine length (mm)	297
Machine width (mm)	206
Magnet lift (N)	12000
Magnetic base (mm)	90x180
Morse Taper	2
Motor (Watt)	1300
Net weight (kg)	16

Rpm	200/400
Throat dept (mm)	45
Voltage	1x230V-50 Hz
