

Drill grinding machines - PSD 5

Item Number: 1543208

KEF PSD 5 with drill grinding attachment

KEF drill grinding attachments are based on a well-proven grinding method which always results in flawless and accurately ground drill points. KEF attachments are pre-set for grinding twist drills, for drilling in steel and iron, with point angle 116-118 degrees and clearance angle 6-8 degrees. The simplified design ensures that a wide range of different drill sizes can be ground without complicated and time-consuming re-setting. Therefore, also unskilled operators can obtain good results.

Product Specifications

Bench model	✓
Drill grinder (mm)	A 6-30 - B 28-45
Machine height (mm)	520
Machine length (mm)	1230
Machine width (mm)	400
Motor (Watt)	1100
Net weight (kg)	43
Rpm	3000
Voltage	3x400V-50 Hz
Wheel size, Grinding wheel (ø mm)	200x38x20
